

FAITH & PATIENCE LEARNING ACADEMY  
(BEFORE & AFTER-SCHOOL /TUTORING PROGRAM)

**Description:**

The Before & After School/ Tutoring Program provides a warm, caring environment beyond school hours where children have the opportunity to play, explore and get homework out of the way before the family has family time. The program offers adventurous activities which motivates children's mind, including arts & crafts activities and computer exploration. We instruct age-appropriate materials and assist students in their strength/ weakness of school subject matter. Students spend out-of-school hours in a safe and stimulating environment.

In addition, the program focuses on the development of student's social skills. Teachers, Care givers, and Volunteers are respectful and positive toward all students, mindful of the importance of appropriate role models.

**Weather Watch:**

The safety of all children is the first concern of the program when decisions are made about whether schools must be closed or our opening delayed because of weather conditions.

Here are some important things to remember:

- \* The decision to close the preschool or before & after school care will be made no later than 5:30 a.m.
- \* Call the daycare to hear the announcements.
- \* If CMS schools are closed or dismissed early because of weather conditions, the after-school will be cancelled for that day.

When weather conditions become hazardous during the after school care we encourage parents to pick up children from the daycare as early as possible.
